

**Tracey L. Rozelle**  
Project Assistant III

---

## Experience Summary

---

Ms. Rozelle has over 26 years of experience in document preparation, editing, and production. She serves in a vital role for ensuring report integrity for technical documents issued by Tierra Group. In addition to her role in document preparation and production, Ms. Rozelle also provides office administrative and business support. Her responsibilities include:

- Document control and preparation; format and editing of reports, proposals, technical specifications, letters, memos, creating and editing tables, assembling, binding, and the review of all final documentation;
- Prepare documents consistent with corporate quality assurance procedures, appropriate corporate formats, and other requirements;
- Assist staff with preparation of proposals and reports to ensure accuracy (format and proofread) of documents being produced; and
- Assist project managers in budget monitoring and client invoicing.
